Sunset High Co

As a Business we are involved in the sale and rental of eBikes and related gear & accessories and in promoting sustainable tourism practices in Newfoundland.

By promoting awareness and sensible use of alternative means of transport – like eBikes - we hope to both lesson the impact on our environment while also solving real world day to day problems around transport and connectivity in our Rural Communities.

Operated by Robert and Barb Young, Sunset High Co partners with Top Brands in the eBike industry to bring offerings that are proven to be up to the challenge of Newfoundlands Unique Environment, Terrain & Seasons while been kinder to the environment.

Summer 2024 Product Catalog #00:01

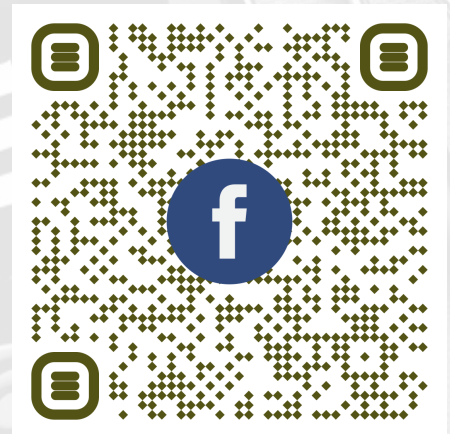

A Note about our Items:

Many items will not be carried in stock until ordered. Once Ordered, Items will be sourced from the nearest distributor for the item(s) you ordered and there will be a lead time of up to 14 days for this. They are ordered on the Day you Pay for them.

Often eBikes from our Top Brands are improved or upgraded over time and by not carrying stock until it is needed we can bring you the latest variations at the best cost. We believe, some patience and worthwhile consideration into your investment will give you the best experience and value for money in the long turn.

Please feel free to browse our Selection and where you see QR Codes you can scan them for more information. At any time, if you need further help just contact someone in store and ask for some help, or reach out to us online.

**Thank you so much for visiting us,
 we really appreciate your interest! - God Bless!
 - Robert and Barb Young**

RAD POWER BIKES

Choosing the perfect ebike can be a challenge. Here's a quick look at three top brands:

- **Rad Power Bikes:** North America's ebike leader, Rad offers a wide selection of award-winning, affordable bikes for city riders, off-road enthusiasts, and everyone in between. They focus on functionality and value, making ebikes accessible to all.
- **Aventon:** Craft your electric adventure with Aventon's premium ebikes. They cater to various riding styles with sleek commuters and powerful all-terrain explorers. Quality components and accessible pricing make Aventon a solid choice for experiencing the ebike revolution.
- **Bakcou:** Built for adventure, Bakcou's all-terrain ebikes are perfect for conquering the backcountry. These fat-tire, full-suspension machines offer power, stability, and the ability to handle heavy loads on any terrain. Ideal for hunters and off-road explorers who crave the ultimate adventure.

General Shipping Information – subject to change

Thank you for choosing Sunset High Co for your eBike and outdoor adventure needs!

We offer a variety of shipping options to ensure your order reaches you safely and efficiently.

Please review the following shipping information before placing your order and feel free to reach out if you have questions.

1. Shipping Methods

We offer a range of shipping methods to accommodate different preferences and requirements and depending on the options offered by our suppliers.

Standard Shipping: Delivery times vary depending on your location, items purchased, and stock levels. We aim to dispatch or deliver orders within 14 days of purchase.

Expedited Shipping: Get your order faster with expedited shipping options available from some brands.

Express Shipping: Need it urgently? Opt for express shipping for the fastest delivery possible.

Please note that shipping times may vary based on several factors, including your location, the availability of the item in stock, and the shipping method chosen. You will be able to select your preferred shipping method during the checkout process. Some shipping options are available online only, some may be available in store only.

2. Shipping Costs

Shipping costs are calculated based on the weight of your order, your location, and the selected shipping method. You will see the shipping cost for your order during the checkout process before completing your purchase.

Other shipping methods may be arranged, speak to us if you have questions to create a customized shipping order.

3. In-Store Pickup

If you prefer, you can choose to pick up your order from our store location.

Please wait for a confirmation email notifying you when your order is ready for pickup.

4. Order Fulfillment

We strive to fulfill orders as quickly as possible. However, please note that delivery times may vary depending on your location, items purchased, and stock levels. If the item is in stock at our store, we will ship it to you promptly. Otherwise, we will arrange for it to be shipped directly from the manufacturer to your address.

5. Tracking Your Order

Once your order has been shipped, you will receive a shipping confirmation email with tracking information. You can use this information to track the status of your order and estimated delivery date.

6. International Shipping

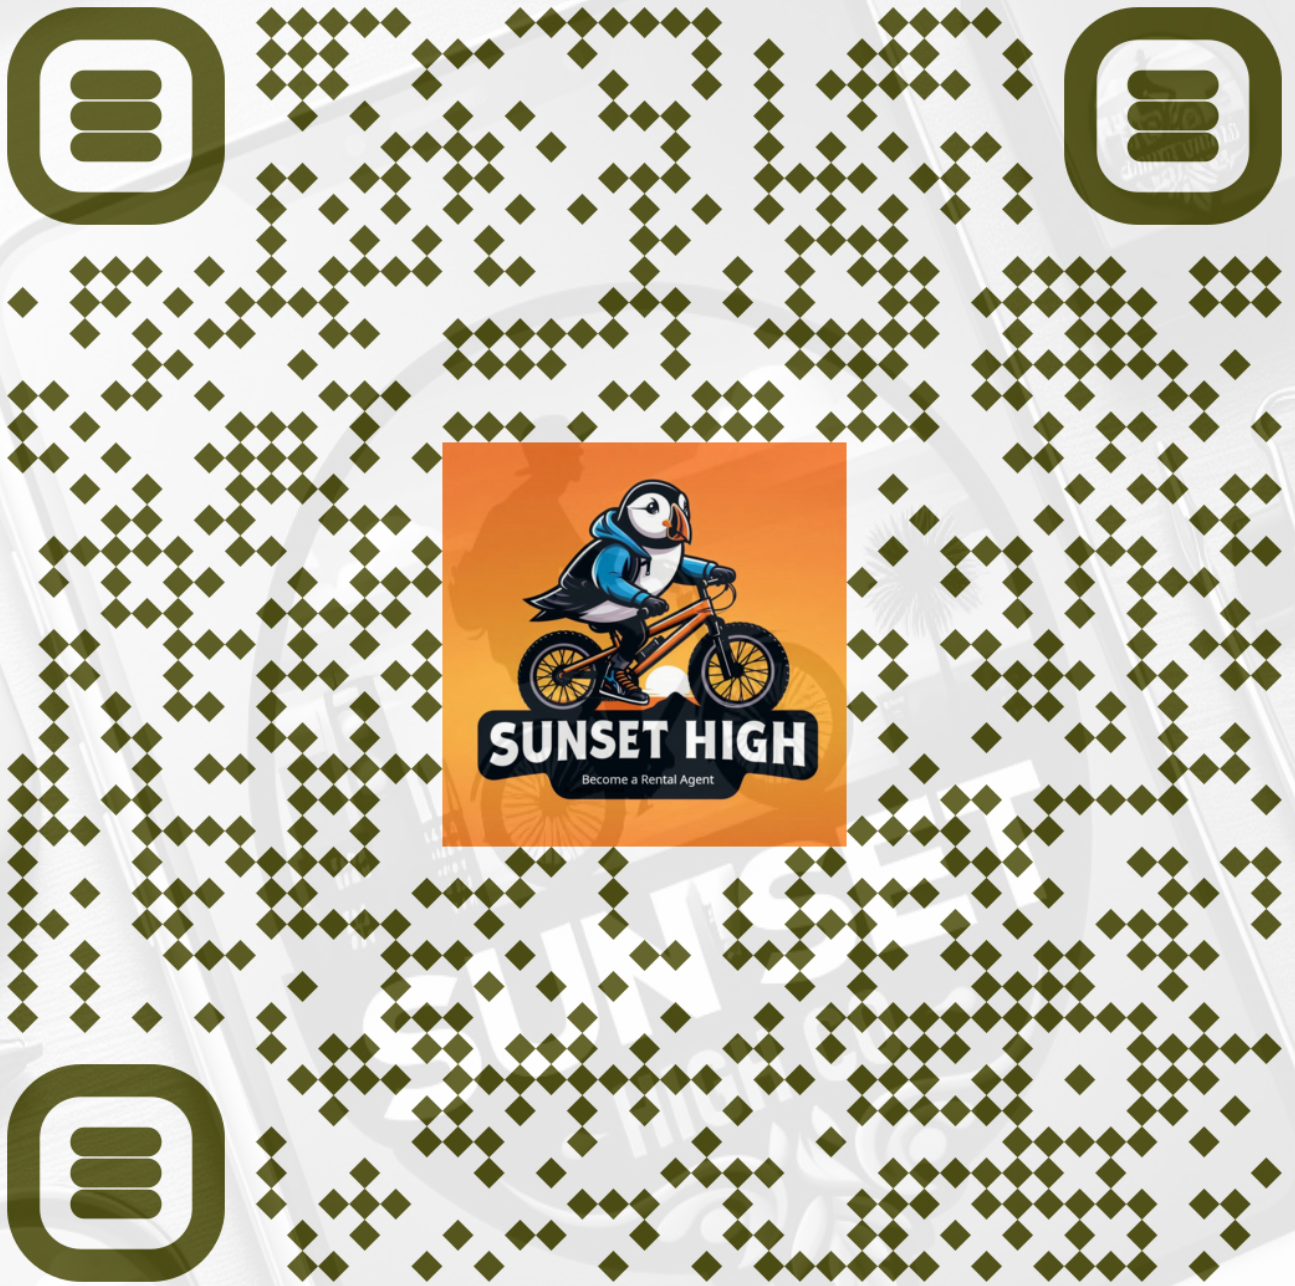

At this time, we only offer shipping within Canada. We do not currently ship internationally. We apologize for any inconvenience this may cause.

7. Contact Us

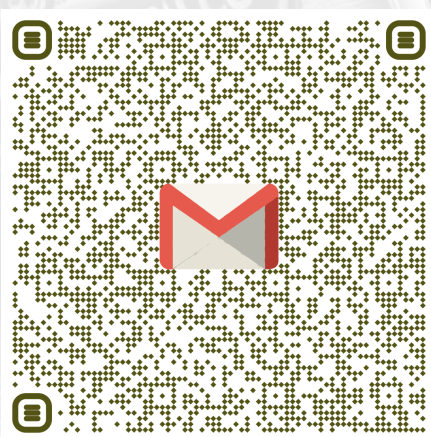

If you have any questions or concerns about shipping, please contact our customer service team at:

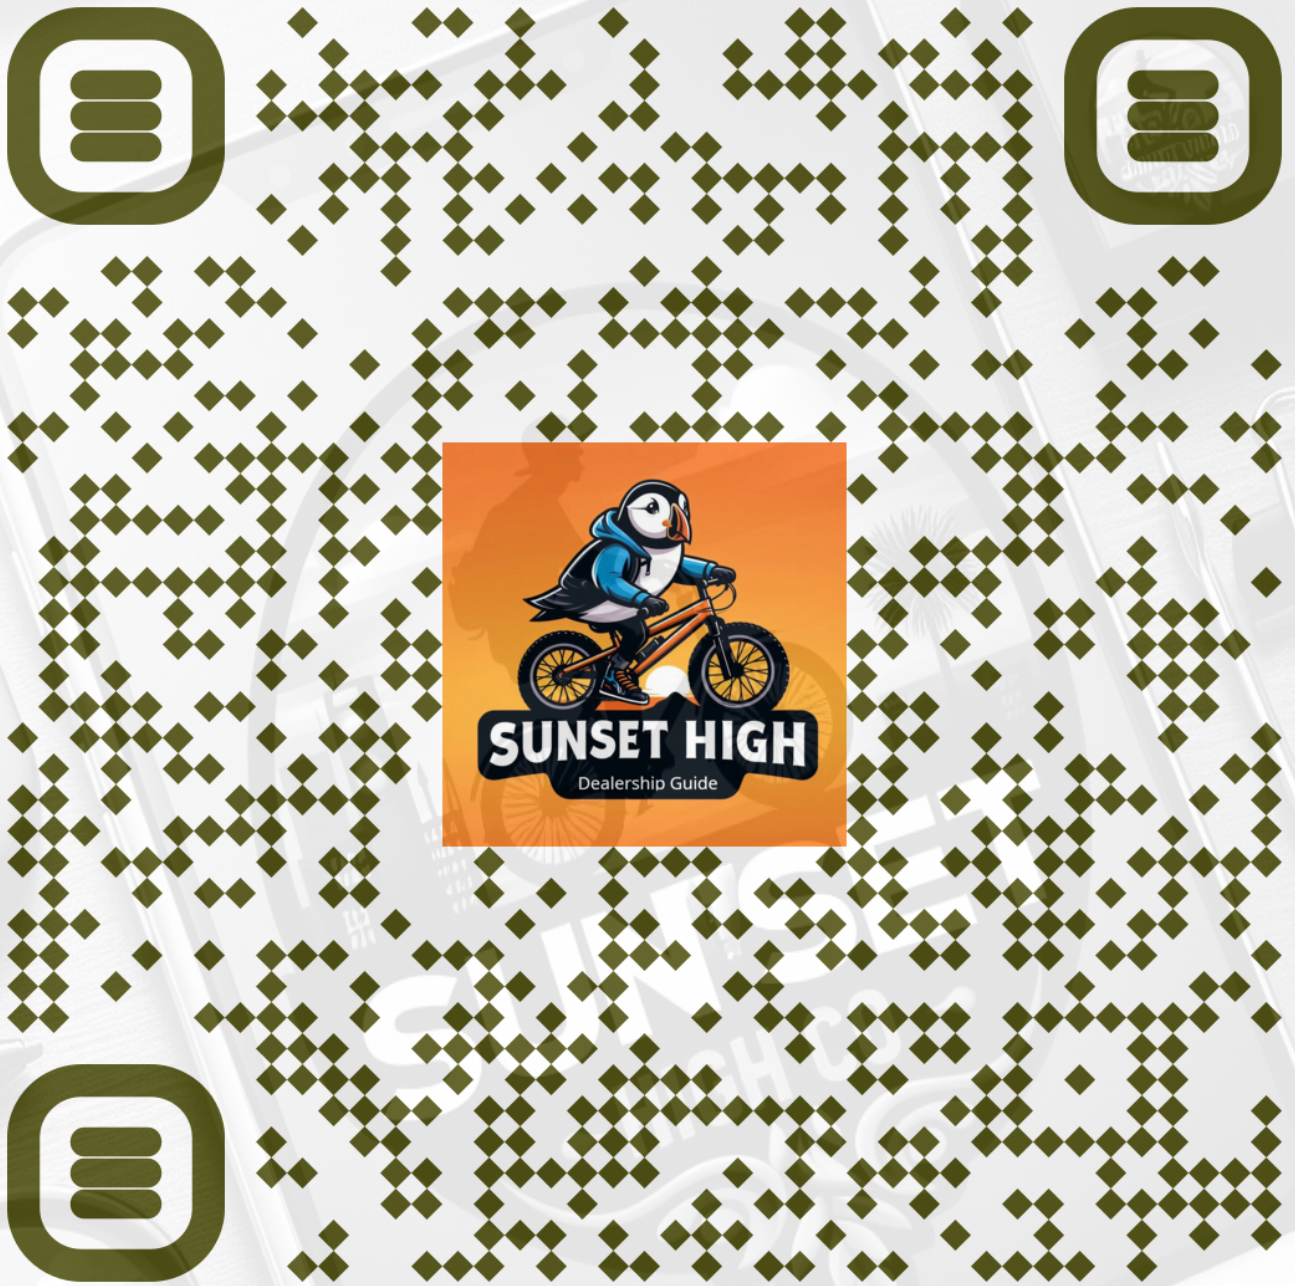

Email: info@sunsethighco.ca
